About this document

This document contains version 4.2 of the National 504 Authorization Boilerplate ("Boilerplate"). The Boilerplate contains the national standard language for SBA 504 Authorizations for 504 loans. It replaces all regional, state and local boilerplates and is mandatory.

The term "Boilerplate" means that this language is not to be altered. It may not be changed based on local or personal preference. Based on information received from the local SBA Processing Offices, the Boilerplate should contain language necessary to accommodate state-specific requirements. Boilerplate language may only be altered with sufficient justification and then only on a rare fact specific basis.

About the "504 Wizard"

The Boilerplate has been automated using Microsoft Word 97 (Word 97) because SBA is using Word 97 (8) as the agency's word processing system. SBA plans to upgrade to Word 2002 (10) during 2002. During the coming months, Version "2002" of the 7(a) Wizard, programmed in Visual Basic for Applications (VBA), will be released and will run in Word 97 (8), Word 2000 (9) and Word 2002 (10).

This version 4.2 of the 504 Wizard has been designed to run only in Word 97 (8) and Word 2000 (9). However, because SBA's current agency standard is Word 97 (8), we've only been able to perform limited testing under Word 2000 (9). Therefore, lenders using Word 2000 must perform careful examination of Authorizations to assure accuracy and completeness.

The 504 Wizard ("Wizard") is a technical tool intended to make it easier for SBA Loan Officers and lenders to create authorizations based on the Boilerplate. It is not an expert system with lots of checks and balances. The Wizard was created with the assumption that Loan Officers using it to create authorizations would choose necessary options and that those authorizations would be reviewed by counsel.

Together, the Boilerplate and the Wizard constitute the "Authorization."

CDCs may use the Wizard to create authorizations if they so choose, or may automate the Boilerplate with other software. Use of the Wizard or any other automation tool does not release CDCs from their responsibility to ensure that the authorizations they create comply with the Boilerplate.

Below is the list of 504 Wizard sections with their location in the Boilerplate:

The latest version of the Authorization can be obtained from the SBA web site at <http://www.sba.gov/banking> or from any local SBA Processing Office.

Format Conventions

All comments, references and instructions in the sections titled "Boilerplate" and "Appendix A" are located in shaded areas (gray or blue shade). All non-shaded areas in these two sections and Appendix A constitute the standardized text itself.

Text appearing in brackets [] must be completed, for instance:

[Name]—must be replaced by a name in the final authorization;

[Amount]—must be replaced by a \$ amount;

[OPTION—This sentence is optional]—Optional text—can be inserted or not;

[SELECT—this text—OR—that text]—User must select one of the available options;

[SELECT—First, Second, Third, Fourth, Fifth]—User must select one of the listed items;

[Write Your Own]—User can insert own text

Paragraphs will be renumbered depending on which options are selected. All other comments should be self-explanatory.

What's new in this version?

This section highlights the major differences between the Boilerplate and Wizard version 4.1 (released on May 20, 2002) and this version, version 4.2 of the Boilerplate and Wizard. Changes made to the Boilerplate and Wizard were based on statutory requirements and several recommendations from the field. This listing can also be found during operation of the Wizard in the "What's New" section of the 504 Wizard Help topics, which is available from the 504 Wizard menu.

A. LOAN INFORMATION

A new item has been added to the Borrower Information panel in the Loan Information section. The item allows for the addition of a name and title of the person signing for the Borrower. This item is optional and appears as follows: "Signed by Name/Title:*. " The name and title entered will appear in the signature block for the Borrower(s).

B. PROJECT FINANCING

The Wizard will now total all project costs entered into the Project Costs panel and present the total on the Debenture Proceeds panel. This total can then be multiplied by a SBA accepted user-entered percentage (e.g., 40.0) and the result will be placed in the CDC Share textbox. Only the CDC Share will be entered into the Authorization, not the interim total nor the user-entered percentage ("0.00" may be entered to cancel this calculation). These values are recalculated in the Authorization, which is the final authority. This calculation is offered as a convenience, and should not be relied upon as an accurate calculation. Please check the values carefully.

The Wizard will also calculate, but only as a convenience to the user, the Third Party Lender amount (Permanent Third Party Loan section of the Project Information panel). The user may enter "0.00" to cancel the calculation and input the Third Party Lender amount directly, or enter an SBA accepted

percentage (this percentage is not entered into the Authorization). These values are also recalculated in the Authorization, which is the final authority. As stated above, this calculation is offered as a convenience, and should not be relied upon as an accurate calculation. Please check the values carefully.

The CDC Fee, previously set as an unchangeable percentage of 0.015 can now be modified on a case-by-case basis. A corresponding line item has been added to the Other Loan Options panel in the Project Information section of the Wizard.

F. DEBENTURE SALE CONDITIONS

F.1.a and F.3.a: The phrases "and Operating Company" and "or Operating Company" were appearing twice in the text under some circumstances. This error has been corrected.

I. ADDITIONAL CONDITIONS

1. Insurance Requirements—Flood Insurance (Optional)

The paragraph has been modified to clarify the Flood Insurance requirements. The following sentence has been added:

"Insurance coverage must contain a MORTGAGEE CLAUSE/LENDER'S LOSS PAYABLE CLAUSE (or substantial equivalent) in favor of CDC and SBA."

3. Borrower, Guarantor and Operating Company Documents

An additional option has been added to **3.b** after **(7) Other Funding (grant or gift)** as follows:

"(8) **Other Funding (line of credit)**--Evidence that Borrower has received access to a line of credit from [Name] in the amount of \$[Amount]."

NEW FEATURE(S)

The "Convert to Word Document" item on the 7a Wizard menu has a new 'Please Wait' message and the Wizard will now remove ALL tracked changes from the new document.

A new HTML-based help file (AuthWiz.chm) has replaced the previous help file (AuthWiz.hlp). It has many additional features, including a search capability.

Prior to the Debenture sale, the CDC conducts a 504 Loan closing ("504 Loan Closing") and forwards the closing documents to SBA. After review and approval, SBA forwards the closing documents for Debenture sale. At or prior to the 504 Loan Closing, Borrower, Operating Company and CDC must sign a Servicing Agent Agreement certifying as to the actual use of the Debenture Proceeds and authorizing a Central Servicing Agent ("CSA") to handle all disbursements and payments under the Debenture.

- e. **Disbursement:** CDC must issue a Debenture and the Debenture Proceeds must be disbursed no later than 12 months from the approval date of this Authorization, unless CDC or SBA extends the time in writing.

Interim Financing / Escrow Closing (MANDATORY)

Select one and only one of the 2 following options

Interim Financing (option 1) is the default option. Escrow Closing (option 2) may only be used when a project is to acquire an existing facility and SBA is not requiring Interim Financing.

OPTION 1—Interim Financing (paid off by the Debenture)

The Interim Financing amount that is specified in this option is **only** the amount to be paid off with Debenture proceeds.

CFR 120.890—Source of interim financing; 120.891—Certification of disbursement; 120.892—Certification of no adverse change.

SOP 50-10(4), pg. 433-438, Subpart “H”, Chapter 12, Paragraph 2—Sources of interim financing; Paragraph 3—Certifications required to close the Debenture; and Paragraph 4—When interim financing is not required; pg. 427-429, Subpart “H”, Chapter 11, Paragraph 9—Expenditures made in advance of 504 loan processing; and Paragraph 10—Bridge financing.

2. Interim Financing (paid off by the Debenture):

- a. **Interim Lender:** An interim loan in the total principal amount of \$[**Same amount as SBA/CDC Share in B.1.a**] will be provided by the following lender(s) ("Interim Lender"):
- (1) [**Interim Lender 1**] in the principal amount of \$[**Interim Loan Amount 1**].
 - (2) [**Interim Lender 2**] in the principal amount of \$[**Interim Loan Amount 2**].
 - (3) [**Etc.**]

Note: The following paragraph contains a reference to paragraph B.4.a. The Wizard will automatically correct this reference in the final document. If you are not using the Wizard, you must update the final document to refer to the proper paragraph number.

- b. **Application of Net Debenture Proceeds to Interim Loan:** Upon sale of the Debenture, the Net Debenture Proceeds (the portion of Debenture Proceeds that finance Project Cost) will be applied to pay off the balance of the interim loan. If the Interim Lender is also the Third Party Lender, this payment will reduce the total balance owed to Third Party Lender to the amount specified in Paragraph B.4.a. below.
- c. **Required Certifications Before 504 Loan Closing:** Following completion of the Project, CDC must cause Interim Lender to certify the amount of the interim loan disbursed, that the interim loan has been disbursed in reasonable compliance with this Authorization, and that it has no knowledge of any unremedied substantial adverse change in the condition of the Borrower and Operating Company since the date of the loan application to the Interim Lender.

OPTION 2—Escrow Closing

SOP 50-10(4), pg. 438, Subpart H, Chapter 12, Paragraph 4.—Rules when Interim Financing is not required.

3. Escrow Closing (No Interim Financing):

The project will not require interim financing. The following will be required for an escrow closing:

a. Escrow Account:

- (1) SBA must approve the escrow agreement. Escrow agent must be approved by CDC and SBA and follow escrow instructions provided by CDC and SBA.
- (2) Debenture sale funds must be wired directly into the escrow account.
- (3) The funds in escrow may not be distributed and the escrow account may not be dissolved until SBA is satisfied that all collateral documents have been properly filed, lien positions properly perfected, and a final title policy (or other evidence of title if no title policy is required) issued showing required title and lien position.
- (4) The escrow must close no later than 5 months from the date of the Debenture sale. If it doesn't the escrow funds will be used to pay off the Debenture in full.
- (5) Borrower must deposit an additional 10% of the total project costs. This deposit must be in cash or an irrevocable Letter of Credit.

b. Borrower must agree in writing:

- (1) That the required deposit must be used to make up any deficiency in the escrow account due to costs associated with the Debenture sale;
- (2) To pay all costs of prepaying the Debenture if any lien position required by this Authorization is not perfected in a reasonable time (not over 5 months) after disbursement of Debenture proceeds including:
 - (a) Costs associated with the Debenture sale including the CDC processing fee, CSA fee, CDC attorney fee/closing costs, SBA guaranty fee, funding fee, and underwriter's fee.
 - (b) The cost of prepaying a Debenture including the prepayment premium and 6 months worth of interest on the original Debenture amount.

Permanent Third Party Lender Loan (MANDATORY)

CFR 120.920—First lien position; 120.921—Terms; 120.922—Pre-existing debt on the project property; 120.923—Policies on subordination; 120.924—Prepayment of subordinate financing; 120.925—Preferences; 120.926—Referral fee.

SOP 50-10(4), pg. 439-462, Subpart "H", Chapter 13—Policies governing the sources of project financing, Paragraph 3.g. (Page 455), Pre-existing debt on the project property.

4. Permanent Third Party Lender Loan:

- a. **[Third Party Lender]** ("Third Party Lender") will provide permanent project financing in the amount of \$**[Third Party Lender Loan Amount]** ("Third Party Lender Loan"). This amount is **[(Third Party Lender Loan / Total Project Cost) * 100, rounded to 2 decimal values]**% of the total project cost.

Pre-Existing non-project debt—Use the following option when you incorporate pre-existing debt into the Third Party Lender mortgage. This is also called "wrap-around" financing.

[**OPTION**—In addition to this amount, the Third Party Lender mortgage will include a pre-existing non-project debt in the amount of \$[**Amount**].]

- b. The Third Party Lender's note and loan documents must not:
 - (1) allow future advances except advances made for the reasonable costs of collection, maintenance, and protection of the Third Party Lender's lien;
 - (2) be cross-collateralized with other financing provided by Third Party Lender;
 - (3) have an early call feature;
 - (4) be payable on demand unless the Third Party Lender's note is in default;
 - (5) have a term less than, or require a balloon payment prior to, [**SELECT**—seven years (if 10-year Debenture)—OR—ten years (if 20-year Debenture)].
- c. At or prior to 504 Loan Closing, Third Party Lender must execute a Third Party Lender Agreement that:
 - (1) Confirms that the Third Party Lender Loan has been fully advanced;
 - (2) Confirms that the Third Party Lender note and loan documents comply with paragraph b. above, or waives it's right to enforce any provisions in the note and loan documents that do not comply with these SBA requirements;
 - (3) Subordinates any prepayment penalties, late fees, and increased default interest to the CDC/SBA lien. Any advances made for the reasonable costs of collection, maintenance, and protection of the Third Party Lender's lien need not be subordinated;
 - (4) Waives as to the CDC/SBA lien any provisions in its lien instruments prohibiting further encumbrances; and
 - (5) Third Party Lender will provide written notice to CDC and SBA of default within 30 days of any delinquency upon which Third Party Lender intends to take action, and 60 days notice prior to foreclosure.
- d. **Third Party Lender Fee.** This payment may be made by (1) the Third Party Lender sending a certified check or guaranteed funds check made out to the CSA to the CDC, and forward it to the CSA within the 504 Loan Closing documentation or (2) the CDC may collect the fee from the Third Party Lender and the CSA will deduct the amount of the fee from the amount sent to the CDC after Debenture sale.

Borrower's Contribution (MANDATORY)

CFR 120.910, 120.911, 120.912, 120.913—Borrower's contribution; 120.923—Policies on subordination; 120.924—Prepayment of subordinate financing.

5. Borrower's Contribution ("Borrower's Contribution"):

- a. At or prior to 504 Loan Closing, Borrower must contribute \$[**Borrower's Contribution Amount = Total project cost – (SBA/CDC Share + Third Party Lender Loan Amount)**] to the Project. This amount is [**(Borrower's Contribution Amount / Total Project Cost) * 100, rounded to 2 decimal values**]% of the total project cost.
 - (1) Contribution may be in cash, land or other property acceptable to SBA;
 - (2) Contribution may come from Borrower's own resources, CDC, or another source;
 - (3) If any of the contribution is borrowed and secured by any of the Project Property, the resulting obligation must be expressly subordinate to the liens securing the Promissory Note ("Note") in favor of CDC and may not be repaid at a faster rate than the Note unless prior written approval is obtained from SBA. A copy of any debt instrument evidencing the obligation must be supplied to CDC at or prior to 504 Loan Closing.
- b. **Costs in Excess of Project Cost:** Borrower must pay any costs in excess of the total Project Cost referred to in Paragraph A.2 which Borrower incurs in completing the Project.
- c. **Closing Costs:** At or prior to 504 Loan Closing, Borrower must pay all closing costs, including but not limited to title insurance premiums, recording costs, and premiums for insurance required by this Authorization.

Borrower's Fees (MANDATORY)

SOP 50-10(4), pg. 503-509, Subpart "H", Chapter 23—Allowable fees.

6. Borrower's Fees ("Borrower's Fees")—Borrower must pay:

- a. An ongoing guarantee fee equal to [**Value - Default is 0.425**] of one percent per annum of the principal balance of the Note calculated at five year intervals beginning with the first payment. This guarantee fee will be made until the loan is terminated. It will be included with the payment on the Note made each month to the CSA.
- b. A servicing fee, as stated on the Servicing Agent Agreement at the time of 504 Loan Closing, calculated on the outstanding principal balance at 5-year intervals. The fee will be included in the monthly loan installment paid to the CSA.

SOP 50-10(4), pg. 503-509, Subpart “H”, Chapter 23—Allowable fees.

7. **CDC Fee**—CDC must pay an ongoing guarantee fee equal to one-eighth of one percent per annum of the principal balance of the Note calculated on the balance outstanding at five-year intervals. It will be deducted from the servicing fee collected monthly by the CSA for the CDC. The CDC will retain a minimum servicing fee as required by SBA regulations and policies.

THE NOTE (MANDATORY)

CFR 120.930, 120.931—504 loan percentage of total project, minimum and maximum lending limits; 120.932, 120.933—Interest rate and maturity; 120.936—Subordination to CDC; 120.937—Assumption; 120.938—Default; 120.940—Prepayment.

C. THE NOTE

At or prior to 504 Loan Closing, the Borrower must execute a Note in favor of CDC. The CDC must assign the Note to SBA. Borrower must make payments by Automated Clearinghouse (ACH) or wire transfer.

The Note and Debenture will include the following terms:

1. **Amount:** \$[Same amount as calculated in B.1.c]
2. **Term:** [Same term as specified on page 2] years
3. **Repayment Terms:** At the date the Debenture is sold, the interest rate will be set and the amount of the monthly principal and interest installment for the term of the Note and the semi-annual principal and interest installment for the term of the Debenture will be established.
4. **Prepayment:** If Borrower prepays during the first half of the stated term, there will be a prepayment premium, calculated by applying a declining percentage of the Debenture interest rate to the outstanding principal balance of the Note. A schedule of the dollar amount of the premium will be provided after the sale of the Debenture.

The Borrower may prepay the Note or Lease in full. Partial prepayment is not allowed. Borrower must pay the sum of:

- a. all principal and interest payments, servicing-agent fees, and SBA guarantee fees up to and including the date of the next semi-annual debenture payment date;
- b. all CDC servicing fees that accrue before Borrower prepays;
- c. all late fees incurred before Borrower prepays;
- d. all expenses incurred by CDC for which Borrower is responsible;
- e. the balance owing on the Note as of the next semi-annual debenture payment date; and
- f. any prepayment premium required under the Note and Debenture.

To prepay, Borrower must give the CDC at least 45 days prior written notice. At least 10 days before the prepayment date, Borrower must wire a deposit of \$1,000 to the Servicing Agent. If the Borrower prepays, the Servicing Agent will apply the deposit to the prepayment. If

Borrower does not prepay, the deposit is forfeited. The prepayment must take place on the third Thursday of the month. If the third Thursday of the month is not a business day, the payment must be made on the next business day.

Appendix C

Frequently-Asked Questions (FAQ's)

This appendix is a compilation of frequently-asked questions (FAQ's) relating to the Boilerplate. For questions relating to the operation of the Wizard, refer to the FAQ section of the "504 Wizard Help Topics" available from the 504 Wizard menu.

What should you do if you don't find the answer to your question in this FAQ?

Additional FAQ's published after the release date of this document will be posted on [SBA's intranet](#) and banking web site (<http://www.sba.gov/banking>).

SBA has created an Exchange Mailbox - "Auth-504" to receive and respond to questions raised by SBA employees. SBA employees should first submit questions, comments and suggestions through their supervisory financing personnel or counsel, who may be able to resolve the issue locally.

CDCs should submit comments and suggestions through their local SBA office.

1. What if Authorization provisions conflict with SOP 50-10(4)?

If you discover an apparent conflict, please send an e-mail to "Auth-504" mailbox describing the conflict and stating the SOP paragraph and the authorization paragraph which you believe conflict. You must continue to use the Boilerplate. The Boilerplate reflects current SBA policy. OGC and OFA have reviewed and approved the Boilerplate. The Boilerplate is considered an Appendix to SOP 50-10(4). The Boilerplate will be updated from time to time to reflect policy changes in subsequent regulations, Notices, or SOPs.

2. How will subsequent modifications to the Authorization be distributed to the field?

The Authorization will be modified periodically to address state-specific issues, implement policy changes, and correct "glitches".

Future updates to the Authorization will be available at <http://www.sba.gov/banking>. OCIO will download copies automatically to each processing office's LAN with notification via SBA information channels. SBA offices also will be able to obtain the files from the above web site or via [SBA's Intranet](#).

CDCs should check the SBA web site or with their local SBA office periodically to insure they have the latest version of the Authorization. Once SBA releases a new version, there will be a 30-day grace period to begin using the new version. If you are using the Wizard, the version is printed in the footer of each authorization document, or the version can be seen by selecting the 'About 504 Wizard' option in the 504 Wizard menu. It is also printed on the first page of the Boilerplate.

3. What is the amount of the Interim Loan in paragraph B.2.a., which is automatically filled in with the same amount as the net debenture proceeds?

The Interim Loan amount is the amount of interim financing that will be paid off by the sale of the debenture. This is the amount that the CDC and SBA have agreed to finance as part of the project. Any interim financing that will become permanent after the project is completed should be accounted for in the paragraphs covering the Permanent Third Party Lender's Loan.

4. What is the difference between the Borrower's Contribution (B.5.) and Additional Injection (E.5.)?

The "Borrower's Contribution" in Section B.4 is the borrower's participation in the 504 project. The "Additional Injection" in Additional Conditions II, Section E.5. is an additional equity injection into the Borrower's business that SBA/CDC may require for the Borrower to be credit worthy. The "Additional Injection" provision specifies the amount and type of injection.

5. Must the borrower have separate counsel?

SBA does not require that borrowers have separate counsel to opine on the validity of loan documents.

SBA does require CDC Counsel to opine that:

1. all borrower or guarantor entities (other than natural persons) are properly organized, in good standing, validly existing, and have the authority to borrow or guarantee; and

2. the documents executed by borrowers and guarantors have been authorized, executed, and delivered by an authorized person, and are valid and binding obligations, enforceable in accordance with their respective terms.

SBA will amend the current mandatory Opinion of CDC Counsel form to include these requirements. Until this change is made, CDC Counsel should include an opinion on these matters as an addition or addendum to the Opinion of CDC Counsel.

SBA/CDC may require CDC Counsel to opine on other additional matters related to a specific loan.

SBA does not prohibit CDCs from requiring borrowers to have separate counsel. For a number of reasons, the Borrower, CDC or CDC Counsel may prefer that the borrower have separate counsel. If a borrower has separate Counsel, borrower's Counsel must opine on the above matters. CDC Counsel may rely on that opinion.

6. Can you include additional forms in section "D. Required Forms"?

The Boilerplate lists all SBA required forms. (The 504 Wizard automatically adds SBA Forms 148 and 148L when applicable.)

The SBA Deed of Trust and Mortgage are no longer required forms. CDCs may use their own lien instruments, which must comply with legal requirements and prudent lending practices. If they do, they must add to all lien instruments the federal law and arbitration provisions required in the Collateral section of the Authorization. This language must also be added to the SBA Deed of Trust and Mortgage forms if the CDC chooses to use these forms. The federal law provisions stating that the lien instrument is to be construed in accordance with federal law if SBA is enforcing the Note protects SBA if the CDC assigns its loan documents to SBA for enforcement. The arbitration clause is necessary to protect SBA from binding arbitration clauses found in some local forms.

The SBA Standby Creditor's Agreement also is no longer a required form. CDCs may use the revised Form 155 or a substantially equivalent form. The Revised Form 155 is available on [SBA's Intranet](#), and on the SBA internet banking site at <http://www.sba.gov/banking>.

SBA offices may not require CDCs to use any local forms.

7. Why doesn't SBA instruct CDCs how to obtain insurance, perfect liens or meet other requirements in the Authorization?

The Authorization gives a CDC the requirements that must be met for SBA to guarantee a loan. It does not instruct the CDC how specifically to meet those requirements. CDCs are responsible for knowing how to properly close loans, secure collateral, and obtain and perfect the required lien positions. They are held to the same prudent lending standard as other SBA Lenders. CDCs must follow SBA's regulations and SOP requirements.

8. Why doesn't the Authorization specify how to perfect a lien for each piece of real estate taken as collateral or specify which signatures a CDC must obtain for rental property ?

The Boilerplate notifies CDCs that they must obtain "the signature or written consent of any obligor's spouse if such consent or signature is necessary to bind the marital community or create a valid lien on marital property." SBA holds CDCs responsible for knowing how to create and properly perfect a lien on

property required by the Authorization. The Authorization gives a CDC the requirements that must be met for SBA to guarantee the debenture that funds the CDC loan to the borrower. It does not instruct the CDC on how to meet those requirements. The CDC, not SBA, must determine the legal ownership of a piece of real estate and determine what signatures must be obtained to create enforceable documents.

An SBA office may give CDCs a Closing Checklist addressing local requirements and provide closing guidelines. Samples of Closing Checklists used in several offices are available on [SBA's Intranet](#).

9. Why are machinery, furniture and business assets not collateral categories in the lien provisions?

The Boilerplate provisions for personal property collateral use the defined terms in the Uniform Commercial Code (Code) for property categories. The Code states which types of property fall into each category. Machinery, furniture and business assets are included in one or more of the defined collateral categories. For example, machinery and furniture are defined as equipment under the Code. If you cannot determine the appropriate option(s), consult with counsel.

10. Can I remove the extraneous documents in the "Borrower, Guarantor and Operating Company Documents" section?

No. The Authorization intentionally lists documents required for all types of legal entities. Borrowers, Guarantors and Operating Companies frequently change their legal structures between the time the authorization is issued and the loan is closed. The list tells a CDC what is required for each entity and accommodates changes in organization that are made before closing. CDCs should inform SBA of any changes and should submit material changes for SBA review and approval.

11. Why does the Authorization have the SBA Logo instead of the SBA Seal?

SBA Headquarters selected the Logo instead of the Seal. All revised SBA documents will use this Logo at the top of the document.

12. Why was the Administrator's name omitted from the SBA signature block?

The Authorization is signed on behalf of the "Administrator", whomever that may be at the time. The name is not a necessary part of the official document. Eliminating the name avoids changing the document when there is a new Administrator.

13. How is the SBA Loan Name determined?

Choose the first available name from this list:

- a. dba of the Operating Company
- b. name of the Operating Company
- c. dba of the Borrower
- d. name of the Borrower

In the case of multiple borrowers or operating companies, apply the same rule, using the first operating company or borrower listed by the Loan Officer.

14. What is SBA's Environmental Policy?

SBA's Environmental Policy is in SOP 50-10(4), Subpart "A", Chapter 5, Paragraph 7. CDCs must be familiar with this policy. Basic environmental conditions are set forth in the National 504 Authorization Boilerplate. CDCs should consult with the local SBA office where the real property is located to ascertain any state or local requirements to be added to the authorization. Except for PCLP loans, CDCs must submit the results of the Environmental Investigation to the SBA. If it is not submitted to the processing office at the time of application, then it must be submitted prior to submitting the closing package to SBA. Except for PCLP loans, a CDC must not disburse a loan until SBA has reviewed the results of the investigation and is satisfied that the risk of potential environmental contamination has been sufficiently minimized. PCLP CDCs must comply with the environmental provisions of the SOP in conducting the environmental investigation and reach a conclusion that the risk of contamination is sufficiently minimized.

15. How does a CDC or SBA loan officer add loan specific provisions to the Authorization?

There is an OPEN OPTION for the processing office or CDC to add loan specific requirements. It is expected that CDC and SBA staff, including SBA counsel, will communicate closely in drafting these requirements. Any special condition created by a PCLP Lender must only be used one time before obtaining SBA approval of the language for use in other Authorizations. For more information on how to use the Open Options with the 504 Wizard, refer to the 504 Wizard Help available from the 504 Wizard menu.

Appendix D

Opinion of CDC Counsel

Read this first! This appendix contains the standardized text for the Opinion of CDC Counsel required by the Authorization. All paragraphs are mandatory except when noted otherwise. Paragraphs must be renumbered depending on which options are selected. All other comments should be self-explanatory (see also "Format Conventions" on page ii).

How to obtain this Appendix in MS-Word format:

A MS-Word document containing the text of this appendix is available. The document is called **D504v42.doc**. That document is not a wizard and is not connected to the 504 Wizard. It is a standard MS-Word document that can be edited in the same manner as any MS-Word document.

If using the **504 Wizard**, D504v41.doc should be located in your MS-Word document directory if the Wizard was installed locally. Use File - Open in MS-Word to access your document directory. 1. CDC is a **[OPTION - non-profit]** corporation duly organized, in good standing, and validly existing under the laws of the State of **[State]**;
 2. The Debenture has been duly authorized, executed and delivered by an authorized officer of CDC and, when the principal amount stated in the Debenture, less fees and expenses, has been disbursed on behalf of CDC or its assigns and Borrower, and when the Debenture is appropriately completed in accordance with the Servicing Agent Agreement, the Debenture will be a valid and binding obligation of CDC, enforceable in accordance with its terms;

1. We have made arrangements for the prompt recording or filing of all relevant documents.
[Attorneys may specify the arrangements at their option]

Insert the following if the Interim Lender and the Third Party Lender are **different**

2. Upon receipt and application by the Interim Lender of the net Debenture proceeds in the amount of \$[Amount], [OPTION - and the payment of any accrued, outstanding interest by Borrower,] the Interim Lender has stated that the Interim Loan will be paid in full.

Insert the following if the Interim Lender and the Third Party Lender are the **same**

4. The Title Company [**SELECT** - has issued - **OR** - will issue] an ALTA loan title insurance policy in the amount required by the Authorization insuring that CDC and SBA hold a valid [**Lien position**] lien on the Property subject only to the liens expressly permitted by the Authorization. There either (a) are no contractor's, mechanic's or materialman's liens on the Property currently filed and no exception for same in the title insurance commitment/policy, or (b) the Title Company is providing affirmative coverage to CDC and SBA over any such liens, affording reasonably adequate protection against material loss arising from any such liens. In addition, the Title Company is providing such endorsements as are necessary or appropriate reasonably to protect CDC and SBA against material loss arising from other exceptions in the title insurance commitment/policy not expressly permitted by the Authorization. In the case of subsequent issuance, [**state how appropriate title insurance protection is afforded at the time of submission according to local practice; for example: "the title company issued a title insurance commitment evidencing its willingness to insure, has provided us with a satisfactory marked-up copy after the closing and has collected its full premium for the policy"**].

Insert the following paragraph if the Project Property includes personal property.

5. With respect to the personal property (in which a security interest subject to Article 9 of the Uniform Commercial Code is granted which may be perfected by the filing of financing statements), upon the filing of the Financing Statements, the security interests of CDC and SBA in such property will have been perfected, and CDC and SBA will be in the lien position required by the Authorization.

I. For purposes of the opinions and representations made in this letter, the words "our knowledge" refer to the knowledge of the lawyers and other legal professionals within our firm working on this 504 loan, and mean that, in the course of our representation of the CDC in matters with respect to which we have been engaged by the CDC as counsel, no information has come to our attention that has given us actual knowledge or actual notice or reasonably would lead us to conclude that anything in this letter or in any of the documents referred to in this letter on which we have relied (including SBA Form 2101, CDC Certification) is misleading or inaccurate, or that further inquiry is appropriate.

J. In forming the opinions and making the representations set forth above, we have assumed, and nothing has come to our attention which would lead us to conclude to the contrary, the following:

1. all documents submitted to us as copies are authentic, all copies conform to the original documents, all signatures are genuine, and all public records reviewed are accurate and complete;
2. each person, party or entity ("Person") other than CDC has taken all actions necessary to authorize the actions contemplated to be performed by such Person in connection with the 504 Loan, and has duly and validly executed and delivered each instrument, document, and agreement executed in connection with the 504 Loan to which such Person is a signatory, and such Person's obligations set forth therein are its legal, valid, and binding obligations, enforceable in accordance with their respective terms;
3. each individual executing any instrument, document, or agreement on behalf of any Person (other than CDC, Borrower, and Guarantors) has been duly authorized to do so; and
4. each Person other than CDC has performed or will perform the actions contemplated to be performed by such Person in connection with the 504 Loan.
5. no fraud exists with respect to J.1. through J.4.

This letter is solely for the benefit of SBA, including its counsel, and may not be relied upon by any other person or entity without our prior written approval. We are aware that SBA will rely upon this letter in guaranteeing the Debenture. The opinions and representations in this letter are limited to the matters set forth in this letter. As the individual attorney signing this letter, I further certify that I am authorized to do so and that I am a licensed, active member, in good standing, of the Bar of the State of **[State]**.

Very truly yours,
